Customer grants PCS a limited licence and a right to copy, transmit, display and modify such Customer Data, solely as necessary for PCS to provide the Services to Customer under this Agreement, for the improvement of the Services, as well as to derive Anonymous Data in accordance with the Agreement. Customer shall be solely responsible for ensuring that Customer has obtained all necessary third party consents, made all required disclosures in connection with the foregoing grant and shall have sole responsibility for the legality, reliability, integrity, accuracy and quality of Customer Data.
- 8.3 Licence to Contract Property.** PCS grants Customer a worldwide, perpetual, non-exclusive, non-transferable, royalty-free license to copy, maintain, use and run (as applicable) solely for its internal business purposes associated with its use of Purchased Services any software code, documentation or similar deliverables, including any know-how contained therein, developed by PCS for Customer as part of Professional Services under this Agreement (“**Contract Property**”). PCS and Customer each retains all right, title and interest in its respective IPR and PCS retains all ownership rights in the Contract Property.
- 8.4 Feedback, Modification and Data.** Customer grants to PCS and its Affiliates a worldwide, perpetual, irrevocable, royalty-free licence to use, distribute, disclose, and make and incorporate into its services any suggestion, enhancement request, recommendation, correction or other feedback provided by Customer or Users relating to the operation of PCS’s or its Affiliates’ services. If Customer requests any modification to the Subscription Service (“Modification”), PCS reserves the right to develop and implement the Modification as part of the Subscription Service and make the Modification available to all customers, whether or not Customer pays PCS to develop the Modification as part of the Professional Services. Customer will have no rights, title or interest in such Modifications other than the right to use them as part of the Subscription Services. PCS shall have the right to collect, track and analyse data and other information relating to the provision, use, and performance of various aspects of the Services including Anonymous Data for (i) the purpose of enhancement of Services and PCS products and services and (ii) for the purpose of benefiting social care, health care, or all providers generally. Anonymous Data will not be considered Customer Data nor Confidential Information.
- 8.5 Non-PCS Applications.** All and any IPR in any external data sources or Non-PCS Applications used or accessible in conjunction with the Subscription Service are owned or licensed by the relevant third party provider. Customer must only use such external data sources or Non-PCS Applications in accordance with the relevant third party terms.

9. CONFIDENTIALITY

- 9.1 Definition of Confidential Information.** “Confidential Information” means all information disclosed by a party (“Disclosing Party”) to the other party (“Receiving Party”), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Confidential Information of Customer includes Customer Data; Confidential Information of PCS includes the Services, and the terms and conditions of this Agreement and all Order Forms (including pricing). Confidential Information of each party includes business and marketing plans, technology and technical information, product plans and designs, and business processes disclosed by such party. However, Confidential Information does not include any information that (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (iii) is received from a third party without knowledge of any breach of any obligation owed to the Disclosing Party, or (iv) was independently developed by the Receiving Party. For the avoidance of doubt, the non-disclosure obligations set forth in this “Confidentiality” section apply to Confidential Information exchanged between the parties in connection with the evaluation of additional PCS services.
- 9.2 Protection of Confidential Information.** As between the parties, each party retains all ownership rights in and to its Confidential Information. The Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable care) to (i) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement and (ii) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its Affiliates’ employees and contractors who need that access for purposes consistent with this Agreement and who have signed confidentiality agreements with the Receiving Party containing protections not materially less protective of the Confidential Information than those herein. Neither party will disclose the terms of this Agreement or any Order Form to any third party other than its Affiliates, legal counsel and accountants without the other party’s prior written consent, provided that a party that makes any such disclosure to its Affiliate, legal counsel or accountants will remain responsible for such Affiliate’s, legal counsel’s or accountant’s compliance with this “Confidentiality”

section. Notwithstanding the foregoing, PCS may disclose the terms of this Agreement and any applicable Order Form to a contractor or Non-PCS Application Provider to the extent necessary to perform PCS's obligations under this Agreement, under terms of confidentiality materially as protective as set forth herein.

9.3 Compelled Disclosure. The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent compelled by law to do so, provided the Receiving Party gives the Disclosing Party prior notice of the compelled disclosure (to the extent legally permitted) and reasonable assistance, at the Disclosing Party's cost, if the Disclosing Party wishes to contest the disclosure. If the Receiving Party is compelled by law to disclose the Disclosing Party's Confidential Information as part of a civil proceeding to which the Disclosing Party is a party, and the Disclosing Party is not contesting the disclosure, the Disclosing Party will reimburse the Receiving Party for its reasonable cost of compiling and providing secure access to that Confidential Information.

10. REPRESENTATIONS, WARRANTIES, EXCLUSIVE REMEDIES AND DISCLAIMERS

10.1 Representations. Each party represents that it has validly entered into this Agreement and has the legal power to do so.

10.2 PCS Warranties. PCS warrants that during an applicable subscription term (a) this Agreement, the Order Forms and the Documentation will accurately describe the applicable administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Customer Data, (b) PCS will not materially decrease the overall security of the Subscription Services, (c) the Subscription Services will perform materially in accordance with the applicable Documentation. For any breach of a warranty above, Customer's exclusive remedies are those described in the "Termination" and "Refund or Payment upon Termination" sections below.

10.3 Disclaimers. EXCEPT AS EXPRESSLY PROVIDED HEREIN, NEITHER PARTY MAKES ANY WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND EACH PARTY SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. SERVICES PROVIDED FREE OF CHARGE, AND BETA SERVICES ARE PROVIDED "AS IS," AND AS AVAILABLE EXCLUSIVE OF ANY WARRANTY WHATSOEVER.

11. MUTUAL INDEMNIFICATION

11.1 Indemnification by PCS. PCS will defend Customer against any claim, demand, suit or proceeding made or brought against Customer by a non-affiliated third party alleging that any purchased Subscription Service infringes or misappropriates such third party's intellectual property rights (a "Claim Against Customer"), and will indemnify Customer from any damages, attorney fees and costs finally awarded against Customer as a result of, or for amounts paid by Customer under a settlement approved by PCS in writing of, a Claim Against Customer, provided Customer (a) promptly gives PCS written notice of the Claim Against Customer, (b) gives PCS sole control of the defence and settlement of the Claim Against Customer (except that PCS may not settle any Claim Against Customer unless it unconditionally releases Customer of all liability), and (c) gives PCS all reasonable assistance, at PCS's expense. If PCS receives information about an infringement or misappropriation claim related to a Service, PCS may in its discretion and at no cost to Customer (i) modify the Services so that they are no longer claimed to infringe or misappropriate, without breaching PCS's warranties under "PCS Warranties" above, (ii) obtain a licence for Customer's continued use of that Service in accordance with this Agreement, or (iii) terminate Customer's subscriptions for that Service upon 30 days' written notice and refund Customer any prepaid fees covering the remainder of the term of the terminated subscriptions. The above defence and indemnification obligations do not apply if (I) the allegation does not state with specificity that the Services are the basis of the Claim Against Customer; (II) a Claim Against Customer arises from the use or combination of the Services or any part thereof with software, hardware, data, or processes not provided by PCS, if the Services or use thereof would not infringe without such combination; (III) a Claim Against Customer arises from Services under an Order Form for which there is no charge; or (IV) a Claim against Customer arises from a Non-PCS Application or Customer's breach of this Agreement, the Documentation or applicable Order Forms.

11.2 Indemnification by Customer. Customer will defend PCS and its Affiliates against any claim, demand, suit or proceeding made or brought against PCS by a non-affiliated third party (a) alleging that the combination of a Non-PCS Application or configuration provided by Customer and used with the Services, infringes or misappropriates such third party's intellectual property rights, or (b) arising from (i) Customer's use of the Services or Leased Goods in an unlawful manner or in violation of the Agreement, the Documentation, or Order Form, (ii) any Customer Data or Customer's use of Customer Data with the Services, or (iii) a Non-PCS Application provided by Customer (each a "Claim Against PCS"), and will indemnify PCS from any damages, attorney fees and costs finally awarded against PCS as a result of, or for any amounts paid by PCS under a settlement approved by Customer in writing of, a Claim Against PCS, provided PCS (A) promptly gives Customer written notice of the Claim Against PCS, (B) gives Customer sole control of the defence and settlement of the Claim Against PCS (except that Customer may not settle any Claim Against PCS unless it unconditionally releases PCS of all liability), and (C) gives Customer all reasonable assistance, at

Customer's expense. The above defence and indemnification obligations do not apply if a Claim Against PCS arises from PCS's breach of this Agreement, the Documentation or applicable Order Forms.

- 11.3 Mutual Indemnity.** Each party (the "Provider") will defend the other party (the "Recipient") against any Claim made or brought against the Recipient by a third party alleging that any information, design, specification, instruction, software, data or material furnished by the Provider in the course of providing or receiving Professional Services (the "Material") infringes or misappropriates such third party's intellectual property rights, and will indemnify the Recipient from any damages, attorneys fees and costs finally awarded against the Recipient as a result of, or for amounts paid by Recipient under a settlement approved in writing by Provider of, any such Claim, provided that the Recipient: (a) promptly gives the Provider written notice of the Claim; (b) gives the Provider sole control of the defence and settlement of the Claim (except that the Provider may not settle any Claim unless it unconditionally releases the Recipient of all liability); and (c) gives the Provider all reasonable assistance, at the Provider's cost. The Provider will have no liability for any such Claim to the extent that (i) it arises from specifications or other Material provided by the other party, or (ii) such claim is based on the Recipient's use of a superseded or altered version of Material if infringement or misappropriation would have been avoided by the use of a subsequent or unaltered version of the Material that was provided to the Recipient. In the event that some or all of the Material is held or is reasonably believed by the Provider to infringe or misappropriate, the Provider may in its discretion and at no cost to the Recipient (A) modify or replace the Material so it is no longer claimed to infringe or misappropriate, (B) obtain a licence for the Recipient's continued use of the Material in accordance with this Agreement, or (C) require return of the affected Material and all rights thereto from the Recipient. If the Provider exercises option (C), either party may terminate the relevant SOW upon 10 days' written notice given within 30 days after the Provider's exercise of such option, subject to the "Payment Upon Termination" section below.
- 11.4 Exclusive Remedy.** This "Mutual Indemnification" section states the indemnifying party's sole liability to, and the indemnified party's exclusive remedy against, the other party for any third-party claim described in this section.

12. LIMITATION OF LIABILITY

- 12.1 Limitation of Liability.** Subject to the "Exclusion of Consequential and Related Damages" and "Limitation of Restrictions" sections below and except for amounts payable under the parties' indemnification obligations under Section 11 (Mutual Indemnification) which shall not be limited, in no event shall the aggregate liability of each party together with all of its affiliates arising out of or related to this Agreement (whether in contract or tort or under any other theory of liability) exceed the total amount paid by Customer and its affiliates hereunder in the twelve months preceding the first incident out of which the liability arose. The foregoing limitation will not limit Customer's and its affiliates' payment obligations under the "Charges and Payment" section above.
- 12.2 Exclusion of Consequential and Related Damages.** Subject to section the "Limitation of Restrictions" section below, in no event shall either party or its affiliates have any liability to the other party or its affiliates under or in relation to this Agreement whether in contract, tort or under any other theory of liability for:
- a) any financial damages as a result of loss or damage to property, economic loss, cost of replacement services, loss of profits, loss of revenue, loss of orders, loss of goodwill, and/or loss resulting from damage to image or reputation in each case whether direct or indirect, or
 - b) any indirect or consequential loss or damage arising from or related to this Agreement,
- howsoever caused and whether or not such losses are foreseeable, even if that party or its Affiliate has been advised (or is otherwise aware) of the possibility of such losses in advance.
- 12.3 Limitation of Restrictions.** Nothing in this "Limitation of Liability" section shall exclude or limit the liability of either party or its affiliates for death or personal injury caused by that party's or its affiliate's negligence or for fraud or fraudulent misrepresentation or for any other liability to the extent that the same may not be excluded or limited as a matter of applicable law.

13. TERM AND TERMINATION

- 13.1 Term of Agreement.** This Agreement commences on the date Customer first accepts it and continues until all Services hereunder have expired or have been performed or terminated.
- 13.2 Term of Purchased Subscriptions.** The term of each subscription shall be as specified in the applicable Order Form, except for the Perpetual Order Form. Except as otherwise specified in an Order Form or except for Perpetual Order Form, subscriptions will automatically renew for additional one-year terms, unless either party gives the other a written notice (email acceptable) at least 90 days before the end of the relevant subscription term. Except as expressly provided in the applicable Order Form, renewal of promotional or one-time priced subscriptions will be at PCS's applicable list price in effect at the time of the applicable renewal. Notwithstanding anything to the contrary, any renewal in which subscription volume or subscription length for any Services has

decreased from the prior term will result in re-pricing at renewal without regard to the prior term's per-unit pricing. Perpetual Order Form shall only end upon a termination by a party.

- 13.3 Order Form Termination for Convenience.** A party may terminate the Perpetual Order Form for convenience with a 12-month written notice.
- 13.4 Termination for cause.** A party may terminate this Agreement for cause (i) upon 30 days written notice to the other party of a material breach if such breach remains uncured at the expiration of such period, or (ii) if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.
- 13.5 Refund or Payment upon Termination.** If this Agreement is terminated by Customer in accordance with the "Termination" section above, PCS will refund Customer any prepaid fees covering the remainder of the term of all Order Forms after the effective date of termination. If this Agreement is terminated by PCS in accordance with the "Termination" section above, Customer will pay any unpaid fees covering the remainder of the term of all Order Forms to the extent permitted by applicable law. In no event will termination relieve Customer of its obligation to pay any fees payable to PCS for the period prior to the effective date of termination.
- 13.6 Surviving Provisions.** The sections titled "Free Services," "Fees and Payment," "Proprietary Rights and Licences," "Confidentiality," "Disclaimers," "Mutual Indemnification," "Limitation of Liability," "Refund or Payment upon Termination," "Removal of Non-PCS Applications," "Surviving Provisions" and "General Provisions" will survive any termination or expiration of this Agreement, and the section titled "Protection of Customer Data" will survive any termination or expiration of this Agreement for so long as PCS retains possession of Customer Data.

14. GENERAL PROVISIONS

PCS shall notify Customer of the updated Agreement, including by referencing the current version of the Agreement when PCS invoices Customer. - 14.10 Assignment.** Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the other party's prior written consent (not to be unreasonably withheld); provided, however, either party may assign this Agreement in its entirety (including all Order Forms), without the other party's consent to its Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets. Notwithstanding the foregoing, (a) if a party is acquired by, sells substantially all of its assets to, or undergoes a change of control in favor of a direct competitor of the other party, then such other party may terminate this Agreement upon written notice. In the event of such a termination, PCS will refund Customer any prepaid fees covering the remainder of the term of all subscriptions for the period after the effective date of such termination. Subject to the foregoing, this Agreement will bind and inure to the benefit of the parties, their respective successors and permitted assigns.
